

Certificate of Completion

October 15, 2026

Estrella Bruex

has successfully completed the
AI Driven Marketing Course

Gonzalo Manrique Sabatel
Co-founder & Co-CEO · Ironhack School Inc.

A **400+ hour program** including pre-work, practical labs, hands-on projects and career development.

Industry-relevant skills in digital strategy, campaign planning, audience research, content creation, SEO, social media management, and performance analytics. Working with tools such as Google Analytics, social media platforms, and marketing automation software to create data-driven campaigns that deliver measurable results.

Real-world projects applying the full marketing process, from goal setting and audience analysis to campaign execution and performance optimisation, demonstrating the ability to develop effective, results-focused digital marketing strategies in a professional environment.
